SUBJECT: Copayment and Coverage Changes for Plan Year 2007

Dear Retiree:

This notice is to advise you of changes to the Retiree SHBP plans which are effective for the 2007 plan year:

Copayment and Coverage Changes

- Effective January 1, 2007 medical plan copayment amounts for retirees enrolled in **NJ PLUS** or an **HMO Plan (Aetna, AmeriHealth, CIGNA, Health Net, and Oxford)** are changing. The copayment for visits to your primary care physician or a specialist will be **\$10**. SHBP Retirees enrolled in these plans should watch for new identification cards to be mailed directly from the medical plans within the next few weeks.
- Effective January 1, 2007, copayments for the Retiree Prescription Drug Plan under **NJ PLUS** and the **Traditional Plan** are changing. Retail pharmacy copayments for a 30-day supply will be **\$8** for generic drugs; **\$17** for preferred brand name drugs; and **\$34** for all other brand name prescription drugs. The mail order copayments for up to a 90-day supply will be **\$8** for generic drugs, **\$25** for preferred brand name drugs, and **\$42** for all other brand name prescription drugs. The annual maximum out-of-pocket for prescription drug copayments will be \$1,082 per person. Once a person has paid \$1,082 in copayments, that person no longer pays any prescription drug copayments for the remainder of that calendar year.
- Effective January 1, 2007, coverage for over age children up to age 30 is available under the provisions of Chapter 375, P.L. 2005. Certain conditions apply to eligibility and the covered parent is responsible for the full cost of this coverage. For details see Fact Sheet #74, *SHBP Coverage for Children to Age 30*, which is available on our Web site or by contacting the Division of Pensions and Benefits.
